

Course Title: Treating Patients Using Hypnosis and NLP Techniques				
Date: 26/02/2016				
Speaker(s): Anthony Asquith				
Relevant To: The Whole Dental Team				
Time: 9.30 - 4	Places: 30	Venue: Lincoln County Hospital	Verifiable CPD: 6hrs	Cost: £10
Aims: The course is aimed at Dental Care Professionals who want to learn the technique of hypnosis to reduce patient anxiety and to calm phobic patients. The benefit to the Practice is that calm patients are easier to treat and reduce the stress and burnout of staff. The course is suitable for those with no experience of hypnosis, however experienced practitioners will also benefit.
