The Essential Guide to Specialty Applications & Interviews - Workshops

A free workshop for F2 doctors.

This programme of workshops is scheduled as part of your **TRUST** core teaching and covers:

- **Selection Centres**
- **How to prepare**
- **Interview practice**

*97% would
recommend to
another trainee*

*98% of trainees
found the
session useful!*

- **Where? Your Trust Location**
- **When? Speak with your FPC for dates or look out for a poster on your Trust Foundation notice board.**
- **Trust lead:**

Book a place directly with your FP Coordinator, spaces are limited so early booking is advisable.

You may be able to attend a session elsewhere if you are unable to attend your own Trust date(s). Speak to your FP Coordinator for more information.

The materials from this workshop and additional resources are available **NOW** on the VLE.

“It was a good eye opener in sufficient time to do something about applications/interviews. Also gives useful sources and tips on how to prepare and sell yourself best.”

“Good opportunity to take time out to focus for half a day and to do an individual action plan to set yourself up for success.”

“This is a great opportunity, regardless of how much preparation one has already done, to review your personal situation and identify room for improvement.”
