

## **CRIMP for FY2 Medics (Care of the Critically Ill Medical Patient)**

**25th –26th January 2018  
8th - 9th March 2018**

**The CRIMP course provides FY2 doctors with the knowledge and skills required to manage the critically ill medical patient and develop a definitive care plan.**

**The education revolves around the care of the critically ill medical patient and aims to build on courses such as the Advanced Life Support Course (ALS), Immediate Life Support Course (ILS) Acute Illness Management (AIM) and Simulation.**

**The course will be delivered using a blend of lectures, skill stations and workshops which embeds the clinical knowledge required to identify and manage the critically ill medical patient.**

**Courses are run at the Leicester Royal Infirmary,  
Clinical Skills Centre, 3rd Floor Victoria Building.**
