LIVE Bespoke Course Webinar for GP DiTs (SupportTT East Midlands)

LIVE 'Hot Topics' GP Update Course Webinar for Doctors in Training

Thursday 23rd November 2023 9:30am – 5:00pm

NB Medical is delighted to be working with NHS England in the East Midlands to bring you a LIVE, fully interactive, Hot Topics GP Update course webinar on Thursday 23rd November 2023. This course is specifically aimed at DiTs returning to training after a career break as a clinical knowledge update.

The Hot Topics GP Update course revolves around short, engaging presentations that merge recent clinical evidence with real-life clinical scenarios. Join us live to experience all of the same topics and resources as if you were attending a face to face course, ask questions and take part in our interactive polls, but from the comfort of your own home or surgery.

You will also be presented with a certificate of completion awarding 6 CPD points for attending this course.

For more information please contact: Tel: (0191) 5197293 Website: www.nbmedical.com

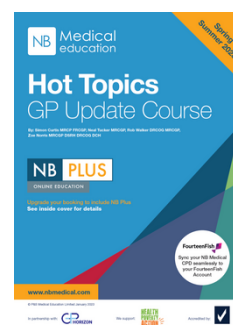

COURSE INFORMATION

OVERVIEW

The “Hot Topics” course consists of a series of short ‘TED-style’ engaging presentations blending evidence and cases, followed by discussion which may have an impact on your practice. The course comes with a number of extra resources to give it incredible ‘added value’

COURSE REFERENCE BOOK

Prior to the event, your course reference book will be posted to your address. The book is fully referenced with recent summaries of the evidence for approximately 150 clinical Hot Topics commonly seen in primary care. Most of our delegates use this every day, like they use the BNF. All of the material is up to date and the material is completely 100% independent from any external influence.

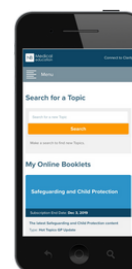

ONLINE CONTENT

12 months access to the on-line electronic version of the book which is instantly searchable. All the original references and resources for GPs (e.g. links to on-line clinical calculators) and patients (e.g. patient information leaflets) are hyperlinked and just one click away.

NB MEDICAL APP

The NB Medical App giving you access to the content from your course day in a fully searchable mobile friendly format on both iOS and Android devices.

UPGRADE TO INCLUDE NB PLUS

You can upgrade your order to include **NB PLUS**

NB PLUS includes:-

- All current NB Medical Course Webinars
- PLUS NB Learning CPD Modules
- PLUS Safeguarding and Child Protection Update
- PLUS Online Basic Life Support

You don't need to go anywhere else for your annual CPD
