LNR		L051			
<b>Year (Delete as appropriate)</b>	<b>Specialty:</b>			<b>Subspecialty (If appropriate):</b>	
F1	General Psychiatry			Adult	
<b>Site:</b>			<b>Trust:</b>		
Berrywood Hospital			NHFT		
<b>Main duties:</b>					
<p>The post is based at Berrywood hospital with Dr.Krishna Yathiraj, Consultant Pyschiatrist. The post holder will gain experience in history taking, assessing and managing an acute selected intake of various psychiatric disorders needing inpatient treatment.The post holder will interview patients under consultant supervision and would be expected to practice these skills further. The predominant duties will be to assist in the management of psychiatric and physical assessments for the inpatients and refer as appropriate.The post holder will alternate with the CT trainee in documenting the ward round discussions on system one-electronic medical notes, which would help them to improve knowledge of psychiatric documentation and psychopathology.The post holder will also have access to subspeciality taster sessions if they wish to pursue this further. The post holder can also attend the community mental health team meetings at campbell house on Tuesdays at 9.15 am (advised to attend atleast 3-4 meetings in the placement) to understand the interface between inpatient and community teams.</p>
