

Foundation Placement Description

Foundation School (Delete as appropriate)		Programme No. (eg. L006 OR T102)*:			
Trent		T023			
Year (Delete as appropriate)	Specialty:	Subspecialty (If appropriate):			
F2	General Practice				
Site:		Trust:			
Parkside Medical Centre		Lincolnshire East Clinical Commissioning Group			
Main duties:					
<p>After the initial induction and assessment of competence the F2 doctor will see patients both routine and those considered to be urgent. Appointment times start at 30 minutes per patient. Once you are comfortable and competent the appointment times will be reduced to 20 minutes. This is usually after about one month. Again, once you are comfortable and competent this will be reduced again to 15 minutes. There is protected debriefing time at the end of each clinic and slots available in the middle of the GP trainers clinic to answer any questions during the clinics.</p> <p>The practice is a training practice with two GP trainers.</p> <p>There is no on call or extended hours surgeries for the foundation doctor.</p> <p>The foundation doctor will not be expected to do home visits.</p>					
Example Timetable					
For example: W/R (Outpatients), MDT, Meetings, X-Ray Conference etc					
	Mon	Tues	Weds	Thurs	Fri
AM	Clinics	Clinics	Clinics	Clinics & Tutorial	Tutorial At Parkside
Lunchtime	MDT / Partners meeting			FY2 Teaching 12 - 2pm	
PM	Clinics	Self Study	Clinics	Audit / Self directed learning	Clinics
Educational Activities:					
<p>The foundation doctor is expected to attend the F2 Training sessions at pilgrim Hospital and attend the weekly Practice Tutorials. The practice arrange a Monthly Educational Training meeting for all GP's and Nurse Practitioners on the third Thursday afternoon of each month. There are other educational activities eg MDT and Safeguarding meetings (monthly) scheduled which the foundation doctor can attend. There are weekly Clinical Management meetings on a Friday morning which the F2 will be expected to attend.</p>					
Other Comments (if appropriate):					
<p>The practice has a strong educational and multiprofessional approach to delivering primary care. The team includes GPs, Advanced Nurse Practitioners, Practice Nurses and Healthcare Support Workers. Occasionally we have several GP registrars and student nurses in post at the same time. There is the usual attachment of community nurses and other allied healthcare professionals.</p>
