

Foundation Placement Description

Foundation School (Delete as appropriate)		Programme No. (eg. L006 OR T102)*:			
Trent		T040			
Year (Delete as appropriate)	Specialty:	Subspecialty (If appropriate):			
F2	General Medicine	Gastroenterology			
Site:		Trust:			
Kings Mill Hospital NHS Trust		Sherwood Forest Hospitals NHS Trust			
Main duties:					
<p>Based on ward 22 at kings mill hospital which is the gastroenterology ward the majority of the role comprises the usual ward duties, This includes requesting and chasing up tests and acting on results. There is a lot of interaction with radiology, microbiology and the surgical teams. There is a daily consultant ward round so you are well supported on the wards. In addition to the usual roles, particular to gastroenterology in the opportunity to learn to do ascitic taps and place paracentesis drains. Our patients are often very sick with liver or gut failure so it is a good place to hone your acute clinical skills within a protected environment, as well as providing the opportunity to learn about specific gastrointestinal and liver disorders. You will also have duties allocated on the medical on call rota which could be on EAU or on the wards. You should also have the opportunity to see endoscopic therapeutic and diagnostic procedures.</p>
