

Foundation Job Description

Foundation School (Delete as appropriate)		Programme No. (e.g. L006 OR T102) <i>Can be found on the Trent/LNR Allocation Spreadsheet</i>			
LNR		L001/L006/L021/L024			
Grade (Delete as appropriate)		Specialty:		Subspecialty (If appropriate):	
F1		General Surgery		Upper GI/Hepatobiliary	
Site:			Trust:		
Leicester Royal Infirmary			University Hospitals of Leicester NHS Trust		
Main duties:					
<p>The upper GI FY1 posts offer experience in the elective management of tertiary level upper GI patients undergoing major surgery for both benign and malignant disease as well as the management of acute general surgical patients. It provides ample opportunity to gain the competencies necessary to complete FY1. In addition, there is the opportunity to gain experience in the management of critically ill surgical patients, both in the emergency and elective setting. The duty rota is based on normal days, long days and nights and there are 14 FY1's on the rota. FY1's will primarily be involved with the care of surgical in patients, but there are many other learning opportunities, as outlined in the timetable below, and FY1's are encouraged to attend as many of the other clinical activities of the firm, as possible. It is expected that the FY1's on this firm will work closely together to help achieve their educational goals, and that they will support the FY1's on the other surgical firms, at LRI. Clinical and educational support for this activity provided by the consultant surgeons and higher surgical specialty trainees.</p>
