

# Foundation Job Description

<b>Foundation School (Delete as appropriate)</b>		<b>Programme No. (eg. L006 OR T102)*:</b>			
LNR		L023			
<b>Year (Delete as appropriate)</b>	<b>Specialty:</b>	<b>Subspecialty (If appropriate):</b>			
F2	General Surgery				
<b>Site:</b>		<b>Trust:</b>			
Kettering General Hospital		Kettering General Hospitals NHS Trust			
<b>Main duties:</b>					
<p>"This post is based in the General Surgical department, which is led by 6 Consultant General Surgeons and includes a 24 bedded acute inpatient unit and a further 2 wards. You will be working as part of a wider team of doctors looking after elective and emergency admissions, with patients coming from across Northamptonshire and Leicestershire. We work as part of a multidisciplinary team which includes Foundation trainees, Core trainees, Specialty trainees, physiotherapists, occupational therapists, pharmacists and a wide range of nursing specialists including cancer, stoma and emergency care practitioners.</p> <p>Oncall commitments include 12 hour shifts assessing A&amp;E referrals for both urology and general surgical teams. Oncalls are supported by a F1 and registrar on all shifts.</p> <p>F2s are encouraged to participate fully in all surgical opportunities, including theatre lists and clinics.</p> <p>There are ample teaching and training opportunities, including participation in quality improvement and audit projects.</p> <p>The clinical supervisor for this post is Mr Taylor. We are keen to encourage all trainees to make the most of their time working in this busy but supportive department."</p>
