Main duties:					
<p>This will be a 4 month post in general anaesthetics based mainly around theatres. There will be a full rota (there is an iPhone app for this!) alongside mainly consultants with your role being supernumery. You will be able to practice a full range of skills from bag/mask ventilation to intubation and management of complex surgical patients so there will be ample opportunity to gain experience in your core competencies. There is the opportunity to experience areas which interest you more, such as obstetric anaesthesia, pain clinics or children's lists.</p> <p>The clinical supervisor for this post is Dr S Panchatsharam.</p>
